INTRODUCTION

“For which of you, intending to build a tower, does not sit down first and count the cost, whether he has enough to finish it—lest, after he has laid the foundation, and is not able to finish, all who see it begin to mock him, saying, ‘This man began to build and was not able to finish?’” –Luke 14:28-30

For eight weeks, the valuable truths about fulfilling a divine purpose, encapsulated in the pages of this life-changing book, were teachings I taught to the wonderful members of our Church in HolyGhost Christian Center, New Jersey. As wonderful and needful as it is to plan and pursue our ambitions and desires, it is often confusing and mostly impossible to become who God intends for us to become without the help of our Maker. He made us and, therefore, has the master plan for our fulfillment in life. He is the Master that owns the plan. That's why it is called the master plan. There are laws and principles in God's Word that are needed for the journey to our destiny. Mastering the acts needed to fulfill your divine purpose is a whole course that needs to be carefully studied and executed with the help of God's Holy Spirit. This book, by the help of God's Spirit,

FULFILLING YOUR DIVINE PURPOSE

gives more than just hints about this subject. This is good food baked in the bakery of the Almighty for the consumption of every hungry soul. If you hunger and thirst to be filled with your Maker's will for your life; if your divine purpose is your utmost goal in life, this is the book you should eat and digest over and over, alongside your Bible, until you become who God has created you to be.

With the help of God's Spirit, I am more than convinced that this book will have as much impact (and even more) in your life as the messages have had in the lives of members of HolyGhost Christian Center.

I wait to hear the testimonies of the divine fulfillment of your purpose and destiny in Jesus' name.

CHAPTER 1

WHO ARE YOU?

(Unravelling Your New/True Identity)

Luke 19:12-26 (24 & 25); Isaiah 60:1-2; Jeremiah 29:11-14

At a critical point in the earthly ministry of our Lord Jesus Christ, He consciously created the room to clarify His identity to His disciples and the world. The records of God's Word show this in Matthew 16:13-19.

Jesus asked His disciples:

“...Who do men say that I, the Son of Man, am?”
vs.13

After different wrong answers filled the room, He then redirected the question to His disciples:

“...But who do you say that I am?”

FULFILLING YOUR DIVINE PURPOSE

If Jesus wanted His identity clarified, you and I need ours to be clarified even more.

Jesus knew who He was, and He wanted us to know that He knows who He is. You need to know who you are.

One of the biggest blessings wrapped up in this message for you, dear reader, is the discovery and unravelling of your true identity. Getting to meet the new or true you will be the beginning of greater manifestations of your destiny.

Before we drive deep into this important subject, it is crucial to define the subject of this project in clear terms.

Definition of 'Fulfilling a Divine Purpose'

1. Fulfilling: This refers to making one feel happy and satisfied. It is about hitting the mark and arriving at one's desired result; to fulfill is to bring to completion.

Its synonyms are words like accomplishment, achievement, discharge and execution.

2. Divine: This indicates something or someone beyond the human level; one that's above the natural terrain. It refers to one that is out of this world. It describes anything that's pertaining to God, usually

WHO ARE YOU?

surpassing human ability or comprehension. It is not rooted in mortality; it is enshrined in immortality.

3. Purpose: It points to an objective, a goal or a target to be reached or achieved. It is the reason for which something is done or created.

DIVINE PURPOSE, therefore, implies that we have an objective or reason for existence that's beyond our human or natural ability to conceive or achieve without the input of the sovereign God.

- It indicates that your life isn't yours to direct, project and execute without God's help.
- You are here on this earth to fulfill your Creator's will, not your will.
- It means that you do not own your life and, therefore, shouldn't run it all by yourself because you cannot do it successfully.

LIFE'S ASSIGNMENT IS BEYOND THE NATURAL MAN

In Luke 19:12-26, Jesus told a parable known as '*The Parable of the Minas*' or '*The Parable of the Ten Servants*,' as some modern Bible versions put it. The Living Bible says that he "*gave them each \$2,000 to invest...*" The Amplified

FULFILLING YOUR DIVINE PURPOSE

Version reads that he “*gave them ten minas [one apiece, each equal to about a hundred days' wages] ...*”

When this man whom the Bible refers to as a *nobleman* returned, it was time to give an account to him. One of his servants presented thousand-fold returns to him (10 is 1000% of 1). He got a mina and made 10 extra out of the one mina he invested or traded with. That's awesome!

Another presented 500% profit. This is another wonderfully profitable servant.

Then, one presented *excuses and reasons* for NOT OBEYING THE INSTRUCTIONS OF HIS NOBLE MASTER!

While there are so many lessons to be learnt from this story, the crux of the matter, as it pertains to the subject under discussion, is the problem of *keeping the master's goods without obeying his instructions about them. The problem isn't about insufficient profit but a problem of disobedience.*

What was the master's instruction?

“DO BUSINESS TILL I COME.”

The New Living Translation says: “INVEST THIS FOR ME WHILE I AM GONE.”

WHO ARE YOU?

This parable directly impacts on our lives on the earth as it relates to our divine purpose. Humans are carriers of a divine purpose, and we can only fulfil God's purpose by obeying (His) divine instructions. This issue is beyond the natural instincts and abilities of any mortal.

God's Word in Isaiah 60:1-2 brings this issue to another perspective wherein we are addressed as God's people, just as we are rightly described in the first Epistle of Peter (2:9-10) as *“a chosen generation, a royal priesthood, a holy nation, His special people...”* Prophetically, Isaiah made it clear that while there will be so much chaos on the earth that the secular economists won't be able to figure out, *“the LORD will arise over you, and His glory will be seen upon you.”* Therefore, you will *“Arise, shine; for your light (divine direction) has come! And the glory of the LORD is risen upon you.”*

This is an awesome promise. Ours is a life that can be steered to fulfillment only by the help of Jehovah.

You and I are carriers of God's agenda (divine purpose), and the only way to fulfillment is to understand that what we carry is beyond our human strength and, therefore, requires divine enablement. We need to follow divine instructions to enter God's fulfillment. The plan we must run with is God's and not ours.

Jeremiah 29:11-14

“For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. [12] Then you will call upon Me and go and pray to Me, and I will listen to you. [13] And you will seek Me and find Me, when you search for Me with all your heart. [14] I will be found by you, says the LORD, and I will bring you back from your captivity; I will gather you from all the nations and from all the places where I have driven you, says the LORD, and I will bring you to the place from which I cause you to be carried away captive.”

You are a carrier of God's agenda on the earth.
